

Dear Class of 2020 Students and Parents/Guardians

Hello graduating Wallin Wolverines! This has been a difficult year for all of us and especially the class of 2020. Many of you have endured many hardships throughout your academic careers, but have made it, nonetheless. Although this is not the ideal celebration, please understand that as educators, this is hard on us as well. This is our favorite time of the year. We are always thrilled seeing you achieve your goals, witnessing the hard work and dedication that you went through to reach this point.

Congratulations on making it to the home stretch of your Senior year of high school. We are extremely proud of your hard work and dedication. We look forward to celebrating you as you become graduates from William Penn/Wallin High School and we have some important updates to share.

The graduation ceremony will be kept with as much of the tradition of the previous years' graduation ceremonies from William Penn High School.

The Board President, Superintendent, Principal, and Student Leaders will start the ceremony with short remarks.

Ms. Brewington will then read the names of all of the graduates while pictures are streamed across the screen for parents, family, and community members to view and celebrate!

The graduation will also be streamed on Facebook and Instagram.

Due to the CDC guidelines and the Governor's restrictions, the entire ceremony will be broadcasted online.

Diploma Pick Up from 1:00 pm to 5:00 pm:

On June 16th, the Class of 2020 graduates will be able to pick up their diplomas from The Wallin School.

Students will be directed to the bus lanes and must remain in their cars.

Chromebooks, calculators, and any textbooks must be returned in order for students to receive their diploma.

For your safety and ours, we ask that there be one car and one family member per graduate to retrieve the diploma.

Graduation Pictures:

We are working with the photography company to plan and secure a date for official senior graduation pictures. Once LifeTouch Photography confirms a date, we will be sending out information for appointments. The photography company will work with families to share pricing and photo package information.
