Encumbrance – a purchase order or promise to pay. Vendor has not been paid; the funds are set aside or “encumbered”.

Expenditures – the payment to a vendor or employee.

Percent Obligated – the total encumbered amount (*promise to pay*) and expenditures (*paid*) as compared to the total budget. It is important to note that school districts do not pay proportionally through the year. This means that a district does not necessarily have 50% of the budget remaining 50% of the way through the school year. For example, the majority of school supplies and materials are ordered at the beginning of the fiscal year in order to be ready for the opening of school.
