COLONIAL TRANSPORTATION ASSOCIATION/COLONIAL SCHOOL DISTRICT

PREAMBLE

This Agreement is made by and between the Colonial Transportation Association, hereinafter called "the Association" and the Colonial School District, hereinafter called "the District."

It is the intent of the parties to collaboratively work toward the betterment of all students and to promote harmony among the employees and managers through mutual understandings; to cooperate fully in implementation of this Agreement for the mutual purpose of assuring safe, efficient, and uninterrupted transportation for students of the Colonial School District; and to provide for safe and mutually satisfactory working conditions for the employees represented by the Association. It is hereby agreed as follows:

ARTICLE 1

RECOGNITION

- 1:1 The District recognizes the Association as the exclusive collective bargaining representative of all permanently employed bus drivers and bus paraprofessionals, as certified by the Delaware Department of Labor under provisions of Title 19 of the Delaware Code and presently administered by the Public Employment Relations Board (PERB) in those employment matters allowable under Title 14 of the Delaware Code.
- 1:2 Definitions
 - 1:2.1 The "Association" as used in this Agreement shall mean the Colonial Transportation Association, an affiliate of DSEA/NEA, which represents the school bus drivers and bus paraprofessionals employed by the Colonial School District.
 - 1:2.2 The "District" as used in this Agreement shall mean the Colonial School District and/or its designees or representatives.
 - 1:2.3 "Days" as used in this Agreement, unless specifically indicated otherwise, shall mean employee workdays exclusive of weekends, and holidays, After the close of the regular school year through the start of the next school year, days shall be defined as calendar days exclusive of weekends, State, and Federal holidays.
 - 1:2.4 "Employee" as used in this Agreement shall mean any person employed in a position within the bargaining unit represented by the Association. A "probationary" employee is an employee who has been employed for 60 days or less, who has not yet been approved by the board as a permanent employee. The probationary period may be extended by thirty (30) calendar days. It is agreed that a probationary employee may not be considered a member of the bargaining unit.
 - 1:2.5 "Board" as used in this Agreement shall mean the Colonial School District Board of Education and/or its designees or representatives.
 - 1:2.6 "Supervisor" as used in this Agreement shall mean the individual serving in the position of Supervisor of Transportation.
 - 1:2.7 "Extra work" as used in this Agreement shall mean the filling of runs due to absences and last minute requisitions.
 - 1:2.8 "Seniority" as used in this Agreement shall mean the length of continuous service, starting with the most recent date of hire, as a permanent employee in the Colonial School District or in the former New Castle County School District Area IV, or its component parts. If a tie exists

based on this definition, then the following tiebreakers shall apply:

- a. Time spent driving or serving as a bus paraprofessional shall include time spent as a probationary employee and/or a substitute for the Colonial School District.
- b. If (a) does not break the tie, a lottery mutually agreed upon by the District and Association shall be used to determine seniority. The Association President or his or her designee shall be present during all lotteries to determine seniority for all new hires.
- c. This tiebreaker, once established by this procedure, shall apply to all aspects of seniority of this Agreement.

1:2.9 September 1 as used in this agreement means the beginning of the employee work year regardless of the actual month or day on which school starts.

ARTICLE 2

NEGOTIATION OF AGREEMENTS

- 2:1 This Agreement shall be for a period of three (3) years from the effective date. Collaborative discussions may be held at anytime by mutual agreement of the parties.
- 2:2 Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.
- 2:3 The parties mutually pledge that their representatives shall have all necessary power and authority to make proposals, consider proposals, and make counterproposals in the course of negotiations, subject to final approval by the governing boards of the parties involved.
- 2:4 This Agreement constitutes a living document. By mutual agreement, the parties may meet from time to time to discuss changes. Such changes shall be incorporated through a written Memorandum of Agreement.
- 2:5 The parties agree to enter into negotiations over a successor Agreement pursuant to and consistent with Delaware Code. Such negotiations shall begin at a mutually agreeable time between the parties with a target date of starting in the spring of the school year in which this Agreement expires.
- 2:6 Any Agreement so negotiated shall be reduced in writing, be submitted for ratification by the Association and approval by the Board, and be signed by the President of the Association, a member of the Association's Executive Board, the President of the Board, and the Executive Secretary of the Board.

ARTICLE 3

COLLABORATIVE PROBLEM SOLVING/GRIEVANCE PROCEDURES

- 3:1 Purpose
 - The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- 3:2 Definitions
 - 3:2.1 A "grievance" is a claim by an employee or the Association that there has been a

misinterpretation, misapplication, or violation of this Agreement, official written policies of the Board of Education, or written administrative rules and regulations affecting an employee or a group of employees.

3:2.2 "Grievant" as used in this Agreement shall mean the person or persons or the Association making the claim.

3:2.3 "Days" as used in this Agreement shall be defined according to Article 1:2.3 except that, after the close of the regular school year through the start of the next school year, days shall be defined as calendar days exclusive of weekends, State, and Federal holidays.

3:3 Informal Stage

3:3.1 The first attempt to resolve a grievance shall be through informal discussion with the Transportation Supervisor within ten (10) days from the time the employee is aware of the problem. At the conclusion of this discussion, the Supervisor may respond immediately to the grievant or may delay response for a fixed time not to exceed five (5) days.

3:4 Formal Grievance Resolution

LEVEL ONE

3:4.1 if the grievant is not satisfied with the results of the discussion, the grievant may appeal the matter by reducing the grievance to written form which shall be available through the Association. The written grievance must be filed with the Supervisor of Transportation within five (5) days of the response rendered at the Informal Stage.

3:4.2 The Supervisor of Transportation shall respond in writing to the grievant with a copy to the Association within ten (10) days after receipt of the written grievance. The Supervisor of Transportation shall hold a conference to discuss the grievance in its written form, within the ten (10) day period, unless mutually extended.

LEVEL TWO

3:4.3 If the grievant is not satisfied with the Supervisor's response at Level One, the grievant may, no later than five (5) days after receipt of the Supervisor's decision, appeal the matter to the Superintendent or his/her designee. The appeal shall set forth the basis for the grievant's continued dissatisfaction.

3:4.4 The Superintendent or designee shall respond in writing to the grievant with a copy to the Association within ten (10) days after receipt of the written grievance. The Superintendent or designee shall hold a conference to discuss the grievance in its written form, unless the parties mutually agree that such conference is unnecessary; however, both conference and response are still required within the ten (10) day period, unless mutually extended.

LEVEL THREE

The decision of the Superintendent or designee shall finally determine the matter unless, the Association, within fifteen (15) days after receipt of the Superintendent's decision, notifies the Superintendent of its intent to proceed to grievance mediation. A joint request, which shall state in reasonable detail the nature of the dispute, shall be made to a mutually agreed upon mediation service. The rules and procedures of the mediation shall then bind the parties for the appointment and conduct of the session. The mediator shall hold a hearing promptly and shall work with both parties to resolve the dispute.

If the dispute is not resolved through the grievance mediation process, the Association may, within ten (10) days after final disposition of the mediation session, notify the Superintendent in writing of a demand for arbitration which will state in reasonable detail the nature of the dispute and the remedy sought.

Where the Association files a timely demand for arbitration, representatives for the Association and the District shall confer to select an arbitrator. In the event that the parties are unable to agree, the selection of an arbitrator shall be through the Philadelphia Office of the American Arbitration Association in accordance with the rules of Voluntary Labor Arbitration.

Section 4013(c) of Title 14 of the Delaware Code shall control the arbitration proceeding. This language can be found here: <http://delcode.delaware.gov/title14/c040/index.shtml>. The parties agree that termination of non-probationary employees is subject to binding arbitration.

The Arbitrator's decision shall not amend, modify, nullify, add to or subtract from the provisions of this Agreement, and must be based solely and only upon the meaning or application of this Agreement as clarified in Section 3:5.13.

In the *event* that arbitrability of a grievance is at issue between the parties, jurisdiction to resolve the question of arbitrability shall rest solely with the Arbitrator selected in accordance with the provisions of Section 3:4.8 of this Article. The Arbitrator shall not determine that grievances excluded from arbitration pursuant to Section 3:5.13 are arbitrable.

The costs for the services of the Arbitrator, including per diem expenses, if any, and actual and necessary travel, living expenses, the cost of the hearing room, cost of witnesses, including cost of substitutes, shall be borne equally by the parties.

Procedures

A grievant may be represented at any or all stages of the grievance procedure by herself/himself or at her/his option by a representative. In no case shall an employee be represented by an employee organization other than the Association. When an employee is not represented by the Association, the Association shall be notified and have the right to be present and to state its views at all stages of the grievance procedure. The employee's choice to be represented or not to be represented at one level does not prohibit a different choice at a subsequent level.

If the employee elects to be represented, the employee must still be present at any level of the grievance procedure where the employee's grievance is to be discussed, except that the employee need not be present where it is mutually agreed that the facts are not in dispute or if

the employee is physically incapacitated.

Forms for filing grievances shall be prepared jointly by the District and the Association and given appropriate distribution by the Association.

No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

Where grievance proceedings are mutually scheduled by the parties during school time, the designated persons to be present shall suffer no loss of pay. In the event of a disagreement whether a person is to be present at the grievance, such disagreement shall be subject to resolution through the grievance procedure. Meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives referred to in this article.

The Association agrees that when a grievance requires either multiple witnesses or grievants, the Association shall cooperate in arranging for the scheduling of such witnesses in such a manner as to avoid repetitive testimony and to minimize disruption and expense to the Board. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants. However, all documents, communications, and records normally kept in the employee's personnel file shall be retained in the personnel file.

Hearings at any level of this procedure may be waived by mutual agreement of the parties. Time limits may be extended by mutual agreement. The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process.

If, in the judgment of the Association, a grievance affects a group or class of employees, the processing of such grievance shall be commenced at the informal stage. Level One timelines will not commence until an informal meeting has been held.

All individuals in the group or class affected by the grievance filed by an individual or the Association shall be bound to the resolution that is accepted by the Association.

Failure at any level of this procedure to communicate the decision on a grievance within the specified time limits shall constitute authority for the employee or the Association to proceed to the next level. Failure by the employee or the Association to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

It is understood that employees shall, during the pendency of any grievance, and absent any Court Order or declaration to the contrary, continue to observe all assignments, and applicable rules and regulations of the District until such grievance and any effect thereof shall have been fully determined.

A grievance alleging that there has been a misinterpretation, misapplication, or violation of official written policy of the Board of Education or written administrative rules and regulations shall conclude at Level Two of the grievance procedure and shall not be subject to arbitration.

ARTICLE 4
EMPLOYEE RIGHTS

The Board of Education or its designated representatives shall not discriminate against, interfere with, restrain nor coerce employees in the right to organize, to join or participate in Association activities.

It is agreed that the District, otherwise acting in accordance with this Agreement, has the right and the obligation to conduct investigations as necessary for the safe, efficient, and proper operation of the District. However, when an employee reasonably believes that a requested interview or conference is of a nature that could result in disciplinary action, the employee has the right to request delay in order to obtain Association representation.

If an employee is required to appear before the Board or designee, for the purpose of confronting the employee with allegations of wrong doing, and the results of that meeting could adversely affect the employee's continued employment, salary, or any increments, the employee shall be given prior written notice and specific reasons for such meeting or interview at least (2) working days, in advance. Any topic not included in the letter shall not be discussed during the meeting. The forty-eight (48) hour's written notice prescribed above shall not be deemed applicable in those situations where there is reason to believe that such notice shall result in the destruction of or non-availability of necessary evidence and witnesses.

An employee required to appear before the Board or at an interview referred to above shall be entitled to have a representative of the employee's choice present to advise and represent the employee during such meeting or interview,

In all cases where representation is permitted in this Article, the employee must request representation or such right shall be considered to have been waived. Representation may be requested at any point during the meeting. If the employee requests representation, the District shall postpone the meeting for a reasonable period of time in order for the employee to secure representation.

- 4:2.5 Employees who have received a forty-eight (48) hour written notice during the current school year shall have the forty-eight-hour meeting before the beginning of the following school year.
- 4:3 A suspension of an employee related to the employee's performance shall be in accordance with Board Policy described in Appendix B of this Agreement. Any suspension of an employee pending disposition of charges shall be with full pay and benefits.
- 4:4 No employee shall be discharged, disciplined, reprimanded, or reduced in pay, except for just cause.
- 4:4.1 Each employee shall be afforded the right to privacy whenever it is necessary to impose discipline or to issue a reprimand. No employee shall be disciplined or reprimanded in the presence of students, parents, or other district employees. Discussions that may lead to possible discipline should not be held in the presence of students, parents, or district employees not directly involved. This does not apply to the use of a third party as a witness to discussions held in private.
- 4:5 The parties agree that the personal life of employees is of no concern to the District. However, any negative job performance resulting from a personal life situation is *of* appropriate

concern to the District.

ARTICLE 5

PROTECTION OF EMPLOYEES AND PROPERTY

- 5:1 The District and the Association agree that effective means for the protection of employees and property are essential to the smooth functioning of the District. Employees shall report in writing except in cases of an emergency all unsafe or hazardous conditions to the Transportation Supervisor who shall, as quickly as possible after investigation and evaluation, take appropriate action to remedy the condition. The Transportation Supervisor shall provide in writing to the reporting employee the action taken.
- 5:2 The District shall take reasonable precaution to provide protection for an employee's vehicle while parked on District property.
- 5:3 The District agrees to hold employees harmless to at least the levels set forth in the Liability Coverage Plan as adopted by the Board.
- 5:4 Mechanical malfunctions not corrected within a reasonable time shall be reported to the Supervisor of Transportation. Mechanical malfunctions must be reported on the designated District form. Employees shall be given reasons for the delay of repairs.
- 5:5 In emergency situations and to the extent allowable by Law, each driver may, within the scope of his/her employment, use and apply such amount of force as is reasonable and necessary to quell a disturbance threatening immediate physical injury to himself/herself and others or the destruction of property.
- 5:6 Any complaints about an employee from parents, students and other employees shall be investigated and brought to the attention of the employee as soon as possible (Does not require forty-eight (48) hour notice). Any complaint not brought to the attention of the employee shall not be used later in any action against the employee or in the employee's evaluation.

ARTICLE 6

RIGHTS OF THE PARTIES

- 6:1 The District agrees to make available to the Association, upon reasonable request, all information, reports, and budgets which are available to the public and shall, upon reasonable written request, make available to the Association other statistics, information and records. This information shall be handled in a manner to respect the privacy rights of district employees.
- 6:2 The Association shall have the right to use school buildings for Association business on the same basis as other school affiliated organizations in accordance with Board policy.
- 6.3 The Association may use the school office and District intra-building mail system and bulletin board for posting notices in areas readily available to employees and assigned for the dissemination of information by means of notices, circulars, or other similar materials pertaining to Association business. A copy of materials distributed or posted shall be given to the Supervisor of Transportation at the time of posting or distribution. This shall not apply to ads, newspaper clippings, etc.
- 6.4 The Association shall have the right to use bus yard facilities and equipment including duplicating

- equipment, technology ie. email, fax, and all types of audiovisual equipment at reasonable times, when such equipment is not otherwise in use. Representatives must make their presence known to the office staff.
- 6:8 Whenever, by mutual agreement of the parties, any representatives of the Association participate during working hours in negotiations, they shall suffer no loss in pay nor shall they be required to make up the time lost.
- 6:9 The Association may submit for consideration through appropriate channels such items that would be of interest or would be helpful in the preparation of the District calendar and the District budget.
- 6:10 Except as otherwise limited by this Agreement, the Colonial School Board hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Delaware and of the United States, and including, but without limiting the generality of the foregoing, the right:
- (1) To exercise executive management and administrative control of the school system including transportation, its properties and facilities, and to direct the work activities of its employees, or to establish Board policy;

- 6:12 In an emergency that creates a clear and present danger to the health, safety *or* welfare of the students and staff of the District, the Board or chief school officer may take appropriate action.

- 6:13 The District shall allow the President of the Association or persons designated by the President ten days per year for Association activities. Use of such days must be by prior notice to the Superintendent and the Supervisor of Transportation. The primary focus of such days shall be items of concern to the local Association.
- 6:14 The Association and the District share the mission of providing, in a professional manner, the timely and safe transportation of students in the Colonial School District. Employees must be in attendance, on time and drive/act in a safe and legal manner. When an employee does not act professionally, fair disciplinary action is appropriate. Disciplinary action will not occur without consultation with the employee as outlined in Article 4 of this Agreement.
- 6:14.1 In this light, the Association and the District agree on the concept of progressive discipline. Steps in progressive discipline range from a verbal warning, written reprimand, suspension(s), to termination. Both parties recognize that each situation is different and discipline should be determined after taking into consideration the past record of the employee and all the facts relating to each case.

ARTICLE 7

EMPLOYEE WORK RIGHTS

- 7.1 Posting and Assigning of Runs
- 7:1.1 All employees who are assigned to a run as of the effective date of this Agreement shall continue to be assigned to the same run until such time as they shall vacate the run or until operational needs such as student demographics, road systems, etc., necessitate some alteration. Employees shall be informed of the changes ahead of time, with due *regard* for privacy, before the changes occur.
- 7:1.2 By October 15th, of each school year, unless otherwise agreed upon by both parties, the District shall establish the hours of each run. If it is necessary to adjust a run following its established hours, the Supervisor of Transportation shall confer with the employees effected.
- 7:1.3. Summer runs shall be posted per instructions listed in 7:2 and 7:2.1. Available runs shall be posted as early as possible and a posting meeting shall be held before the last day of the school year. If students have not been identified by the last day of the school year, the posting meeting date will be announced before the last day and will be as soon as possible after the last day of the school year.
- 7:2 New runs, runs vacated by resignation, termination, or retirement, runs vacated by non-medical leaves lasting over thirty (30) days, and runs vacated by medical leaves. Postings shall include a detailed description of the run, the number of hours the run entails, the bus number, and other such information as is necessary for employees to make an informed decision. Employees shall not be annualized for more than forty (40) hours per week in accordance with Federal and State Law.
- 7:2.1 On the day designated in October and March for the posting process, all employees interested in changing their assignments shall attend a meeting where all available runs shall be awarded.

These runs shall be awarded on the basis of seniority. After school and activity runs shall not conflict with regular a.m. and p.m. runs. The process shall continue for as many rounds as needed to fill all vacant positions.

- 7:2.2 In the event of time conflicts arising out of early dismissal, an employee shall not lose annualized pay.
- 7:2.2.1 It is understood that only one (1) midday run shall be assigned to an employee. Employees assigned to midday runs shall be given a list of students' names corresponding to pick-up/drop points. Should an employee lose his/her midday Run as a result of the consolidation *or* deletion of a run, the employee shall be permitted to fill the midday run held by the employee with the least amount of seniority. If more than one (1) midday run is deleted, the employees losing their runs shall choose, in order of seniority, from those runs to be vacated by the least senior employees.
- 7:2.3 The awarding of runs that impact benefits must be formally approved by the Colonial Board of Education at their next regularly scheduled meeting following the posting meeting. For employees awarded the vacant positions, transition to the new run shall be implemented as soon as possible, but no longer than three weeks after the awarding of the position. Compensation will be calculated from the first day on the new run.
- 7:2.4 Any runs left vacant after a posting meeting shall be assigned to new hires and not reposted. Any positions that are created or become vacant during the time between posting periods shall be filled as temporary assignments and shall be available during the next scheduled posting period.

Bus paraprofessionals will sign up on one (1) separate rotating list. Employees shall sign up to have their name placed on one or all of the rotating lists which shall be arranged in seniority order. An employee sign up will be available through dispatch at the end of the school year through the opening meeting for the following school year. After the opening meeting if anyone has not signed up and has decided to sign up at a later date, their name will not be ranked according to seniority and will be added to the bottom on the list.
 - 7:3.1.1 Permanent unassigned employees are eligible to sign up for weekend trips.
 - 7:3.1.2 The field trip logs will be posted at the beginning of each work week in the employee lounge on the staff bulletin board. If all summer employees decline a trip, other drivers will be offered the trip based on seniority.

- 7:5 Employees shall sign up on the daily extra worksheet before 5:00 p.m. on the previous workday. All extra work shall be offered first to permanent employees on the basis of seniority who are not already annualized at forty (40) hours or who would not be over forty (40) hours that week (not including field trips). Employees qualified to perform the extra time hours will be offered hours on a rotational basis by seniority. Extra time hours will be rotated daily unless an extra time position is open for longer than five (5) days; all open extra time needing to be covered for longer than five (5) days will be offered at the start of each new week, following the normal extra time process as described above. After an employee accepts or declines extra time, that employee will go back into the rotation after the list has been exhausted. If no other employees are available, then the extra work shall be assigned by seniority to those permanent employees who would be over forty (40) hours that week. Permanent unassigned employees do not sign up as they are already required to be on call to cover runs throughout the day based on need. Assignment of daily extra work must be posted daily in the lounge for a period of 24 hours. Employees shall be paid one (1) hour for canceled scheduled activities added to their workday and two (2) hours for canceled activities if the employee has not been notified of the cancellation prior to reporting to the place of work.

These professional development days can be contingent upon the availability of state and local funds. If the work year is extended by the State, the salary scale shall be increased proportionately and a new scale issued. If the said number of pupil days is reduced as a result of an emergency declared by the Governor due to weather or other unforeseen circumstances during the life of the Agreement, the determination regarding payment of wages on such days shall be in accordance with State Laws and Regulations.
- 9:2 Employees shall be paid according to their regular pay rate for those in-service activities that they are required to attend.
